THE ROTARY FOUNDATION

I want to talk to you about the Paul Harris Society (PHS), something that is very important to The Rotary Foundation (TRF) and our District's support of that Foundation. The PHS will not be for everyone in the District, but if we could get 10% of the District to become a member of the PHS, it would make a tremendous impact on our District giving. We presently have 43 PHS members in our District. This number has grown from only 18 members in early 2016, THANK YOU, THANK YOU, THANK YOU!!!!

To become a member of the PHS you contribute $1,000 a year to the Foundation. This breaks out to $85.00 month, $250 a quarter, or $1,000 annually.

You will be asked to fill out a PHS registration form that states you intend to give $1,000 annually to TRF for as long as it is financially feasible. If something changes in your financial situation and you can no longer give at the PHS level, your commitment ends with no questions asked, and is totally understood.

I highly recommend that you sign up by using Rotary Direct. This way the Foundation will get your donation monthly from your debit or credit card. I have been giving to TRF since November of 2005 by Rotary Direct and have never had an issue. They have never taken more than or less than I agreed to! If you have signed up for MY Rotary you can also go online at www.rotary.org to see your contribution history, and keep track of your giving. I can see every donation I have given to the Foundation since my first one. The staff of The Rotary Foundation are very sensitive to privacy and accuracy.

I really want to express my sincere thanks to the members of our District who give at the PHS level. Our Foundation is the lifeline for what we do as Rotarians. As I said earlier, I totally understand that the PHS is not for everybody, but I do believe there are more members in our District who could support TRF at this level. I ask with all hope that you will give the Paul Harris Society careful consideration. We are DOING GOOD IN THE WORLD.I am looking forward to your response and support.

I have attached a PHS brochure along with my contact information for your convenience. I will be glad to assist with the form or help with any other questions you might have.

PDG John Salyers
D6740 PHS Coordinator

PS: If you are presently giving $1,000 or more a year to TRF, and have not signed up for the PHS, please let me know so you can be properly recognized by The Rotary Foundation and our District.
