The smiles on the Dominican children's faces as well as the smiles of "our kids" replay in my head over and over again. Six of this year's participants were second-timers. They made a difference again in the lives of others less fortunate! Wow, "building goodwill and better friendships" is contagious! All the sleepless nights are worth the smiles!!!

Please join me and the other members of our Dominican trip team on Monday, August 1 at our noon Rotary meeting as we present this year's video.

As always, thanks for EVERYTHING that you have done for us. Without your support, this trip truly would not have been possible!!!
