Can you or your organization participate in the Toy Drive this year? Each year, many different companies hold a toy drive through the months of November and December. Steinfeld will supply you with flyers, boxes, and any other necessary items to kick off your toy drive. They will also pick up the toys after the drive is complete. This is great way to build team work and give back to your community at the same time!

Last year over 4,000 children in Northern Kentucky were served, up from over 3,000 the previous year.

To find out more, please visit their website at [www.steinfeldtoyfoundation.org](http://www.steinfeldtoyfoundation.org) or the organization's [Facebook](#) page.

## Ghosts in Boone

by Carrie Herrmann, 10/31/16

Bridget Striker, Local History Coordinator Boone County Public Library, spoke about **ghosts** in Boone County. The Local History Department does a lot of genealogy

research, including house and property genealogy. They receive a lot of questions about "who died in my house or on my property." From these questions an idea was born—**Ghost** Walks of Boone County. This has become a great way to engage the community and teach Boone County history. Sprinkle **ghost** stories, murder and mayhem through a historical talk and people who do not normally attend history programs flock to the presentations.

Boone County Public Library partners with PINK (Paranormal Investigators of Northern Kentucky) to investigate historical structures. PINK uses a variety of methods, including infrared cameras, digital audio recordings, and environmental measurement devices, to confirm or debunk hauntings. Sprinkling her talk with findings from PINK and historical information, Bridget Striker highlighted 8 properties in Boone County that are haunted. One of those structures in the Gaines Tavern in Walton. The Tavern has had nine murders, lynchings and suicides within a 50 year period of the 1800s. Visitors to the Gaines Tavern have reported doors slamming shut, full body

apparitions, footsteps when no one else was in the building, and strange mists. The Local History Department has hosted a Teen **Ghost** Walk at the Tavern. This is a great way to get teens interested in Boone County History. Bridget Striker also highlighted the Renaker House in Burlington. This is one of the most haunted houses in the area. In fact, the *Cincinnati Enquirer* wrote an article about this house in 1966. Visitors to the Renaker House have reported strong odors such

as cigar smoke and flowers, clock chimes from a clock that is not in the house, the faint whisper of a woman's voice, and the specter of a woman in 1940s dress.

Information about the 8 properties highlighted in Bridget Striker's presentation can be found in the *Chronicles of Boone County* (<http://www.bcpl.org/cbc/doku.php>), a repository of Boone County historic information created and maintained by the Local History Department of Boone County Public Library.
