A Rotary Youth Exchange message from Jack Lundy

Dear Rotarians:

I need your help in placing five students in our district. We have a boy and a girl coming from France, a boy and a girl coming from Japan, and a boy coming from Germany. We also have a boy coming from New Zealand; but he has already been placed.

Host families do not have to be Rotarian and single parents can also be host parents. This year, I am seeing couples with separate names hosting in other districts. The key is that all host parents have to have a background check. Don't think that only host families come from Rotarians. They don't. The great majority of host parents are outside of Rotary and until they are asked to be host parents, they don't even know what Rotary is. You can use this as a good recruitment tool for your club. It happens.
