Global issues such as literacy, hunger, malaria, HIV/AIDS, and access to clean water affects us all. Rotarians understand this, and with over 32,000 Rotary clubs worldwide, Rotarians are leading the way in their communities to find solutions to global concerns. We can help too by becoming involved.

A SHELTERBOX UPDATE FROM DEBBIE WALL

7 Shelterboxes that the Florence Club sponsored were deployed. One box went to Pakistan on October 15, 2011 and six boxes went to Ethiopia on October 17, 2011. The club is probably already aware of the deployment of their boxes but we wanted to share the info with you just in case. Again both Stan and I send our thank you to the Florence club for their continued support of Shelterbox and ask that you share our best regards and thanks with the club.
