The Six Rotary Areas of Focus

The needs spanning Rotary's Six Areas of Focus are vast, ranging from lack of access to clean water to the need for immunization that prevent deadly diseases. Rotary clubs serve communities around the world, each with unique concerns and needs. Rotarians have continually adapted and improved the way they respond to those needs, taking on a broad range of service projects. The most successful and sustainable Rotary service tends to fall within one of the following six areas:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
