3 of 20 REASONS TO JOIN ROTARY

- 1. Friendship:** In an increasingly complex world, Rotary provides one of the most basic human needs: the need for friendship and fellowship. It is one of two reasons why Rotary began in 1905.
- 2. Business Development:** The second original reason for Rotary's beginning is business development. Everyone needs to network. Rotary consists of a cross section of every business community. Its members come from all walks of life. Rotarians help each other and collectively help others.
- 3. Personal Growth and Development:** Membership in Rotary continues one's growth and education in human relations and personal development.
