16, 17, and 18 of 20 REASONS TO JOIN ROTARY

16. Appreciation of Cultural Diversity- Around the world, practically every religion, country, culture, race, creed, political persuasion, language, color and ethnic identity is found in Rotary. It is a cross section of the world's most prominent citizens from every background. Rotarians become aware of other cultures and learn to love and work with people everywhere. They become better citizens of their countries in the process.

17. Prestige- Rotary members are prominent people. Leaders in business, the professions, art, government, sports, military, religion and all disciplines. Rotary is the oldest and most prestigious service club in the world. Its ranks are executives, managers, professionals ... people who make decisions and influence policy. Not everyone is invited to join Rotary.

18. Nice People- Rotarians above all are nice people...the nicest people on the face of the earth. They are important people who adhere to the policy that while it is nice to be important, it is more important to be nice.
