Global issues such as literacy, hunger, malaria, HIV/AIDS, and access to clean water affects us all. Rotarians understand this, and with over 32,000 Rotary clubs worldwide, Rotarians are leading the way in their communities to find solutions to global concerns. We can help too by becoming involved.

NEW MEMBER SPOTLIGHT Barbara Rahn NEW MEMBER SPOTLIGHT

Barbara is a transfer member from the Cincinnati Club. She was born in Kankakee, IL where she went to school and eventually owned a hair salon within a retirement facility. In 1980 she was hired as prize coordinator for the TV game show "Let's Make A Deal" in California. 1986 brought her back to Illinois where she was with Kelly Temp Services (bookkeeping) until 1992 and then continued in this field on her own. During all these moves she has maintained her membership in Rotary. She co-chaired the Key Biscayne Arts Festival, worked Interact, and multiple service activities, most recently Camp Allyn in Cincinnati. She requested the New Generations Team to continue working with Interact.

Do you have a friend or business acquaintance that you would like to introduce to Rotary? Bring that person with you for lunch and introduce him to us. Many folks never become Rotarians because they were never asked to join.

September is New Generations Month in our Rotary calendar. During this month, we focus all Rotary activities that would support the development of our young people up to the age of 30. We are encouraged to use the slogan "Every Rotarian an Example to Youth" in our Club bulletins and publicity materials during this month. Also, it is during this month that we are challenged to recruit new and younger members to join our Rotary Clubs.
