-Stephen Jarvis with Beckfield College, classification College Training Coordinator.  
If there is an objection to admission to membership please email the Chairman of the Membership Committee at [Mike.Crane@kyfb.com](mailto:Mike.Crane@kyfb.com) . If there are no objections their basic information will be entered into the DaCdb data base, Adam Howard will get their picture (if not already taken), and the process of installation will begin.  
**Note to Proposers:** From now on please do NOT accept dues with membership proposal applications and use only the revised "Membership Proposal Form" located on our website. You may download and print the form this link [SPONSOR A NEW MEMBER](#)  
New members will be notified when they need to pay the \$90 dues. If they give you a check just ask them to hold it and remind them that applications are brought to the Board usually on the first Monday of the month followed by posting in the Newsletter on the second Monday (this month excepted--Sorry!!) and then Installation will begin after that if there are no objections from the membership.  
Proposers please take time to explain Rotary's "5 Avenues of Service" so the applicant can decide what they might be most interested in for Team purposes.  
Thanks all. PROPOSE A FRIEND.
