Dear Florence Rotarians,

I NEED TO HEAR FROM YOU NOW!

Monday we will recognize Chris Caddell as the 2011 Citizen of The Year. Please make room in your schedule to attend this program and pay tribute to one of your neighbors that believes in Service Above Self. If you have not ALREADY DONE SO, YOU MUST **CONTACT SHONA SCHULKERS AT shona.schulkers@hilton.com AND MAKE A RESERVATION. KEEP READING !!!**

Chris is the founder of Lifeline Ministries. They provide food, clothing and support for families in our community and we have supported their efforts with food drives before. A couple of weeks ago, Jack Lundy challenged all of us to take a dollar bill and multiply that dollar in whatever way we were able, and turn it into a gift of food for Lifeline Ministries. I can think of no better tribute to Chris, than for us all to bring a gift of food on Monday to present to Chris and Lifeline Ministries so that they can make this Easter a little more comfortable for a few in our neighborhood that are suffering.

Come early to make the registration process a little easier and smoother for Billy and Shona and bring your gift of food.

Yours in Rotary Service,

Greg S. Palmer

"Clergy Appreciation Day" May 16

Invite your pastor for a special meeting to recognize their service to the community. They work vigorously, often neglecting personal needs to give us comfort and direction. They do so much, yet receive so little in return. On this Clergy Appreciation Day, we take time out to acknowledge and celebrate the efforts of their leadership.

OUR CLUB SHELTER BOX COLLECTIONS.

We raised \$4,650 for Shelter Box. Thank you for your generosity.

From the desk of Jack Lundy (Still looking for host parents)

The District Chairman of Youth Exchange reports that he has received long term applications from students from abroad who wish to spend a year here in America. Our district will place two ladies from France, a young man from Japan, a young man from Mexico and a young person yet to be named. I am hoping that one of the Northern clubs will adopt one of the exchanges. We need host parents to step forward. Last year Harry and Sue Chesnut were host parents for Umit Odabasi from Turkey. **Would you or a family you know like to host a student ?** Contact me at jlundy_8450@fuse.net
