Global issues such as literacy, hunger, malaria, HIV/AIDS, and access to clean water affects us all. Rotarians understand this, and with over 32,000 Rotary clubs worldwide, Rotarians are leading the way in their communities to find solutions to global concerns. We can help too by becoming involved.

THIS MONDAY

THIS MONDAY

"Clergy Appreciation Day"

Many have been invited for our special meeting to recognize their service to the community. They work vigorously, often neglecting personal needs to give us comfort and direction. They do so much, yet receive so little in return. On this Clergy Appreciation Day, we take time out to acknowledge and celebrate the efforts of their leadership.
