Community service is one of the Avenues of Service which encourages Rotarians to offer service to their communities. Every Rotary club and every Rotarian assumes a responsibility to find ways to improve the quality of life for those in their communities and to serve the public interest.

What is Community Service?

*Encouraging and fostering the ideal of service to the personal, business and community life of every Rotarian.

*Opportunities for every Rotarian to exemplify "Service Above Self".

*A chance to respond to the needs of a local community.

*Community Service projects are relevant to the community

*Serve as a learning experience for Rotarians identify a Rotary club's role in its community

*Determine how Rotarians can help with the resources at hand.

NEXT MONDAY "Clergy Appreciation Day" May 16 NEXT MONDAY

Invite your pastor for a special meeting to recognize their service to the community. They work vigorously, often neglecting personal needs to give us comfort and direction. They do so much, yet receive so little in return. On this Clergy Appreciation Day, we take time out to acknowledge and celebrate the efforts of their leadership.
