Shoes for Orphan Souls Drive

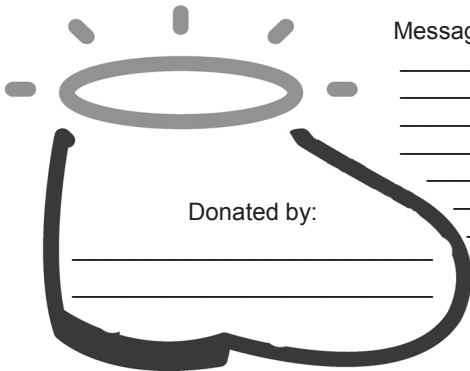

Buy a new pair of shoes.

Please support the Rotary Club of Florence as we help to provide new tennis shoes for impoverished children throughout the world. Sneakers and athletic shoes are best. The greatest need is for sizes Youth - 1 thru Adult - 7. Please place this card inside one of the shoes and tie the strings together. We encourage you to write a personal note to the child who will receive them. Please visit florencerotary.org for more information.
