They will be living in France, Spain, Peru, Poland, Germany, even Thailand. Exciting! However, our Youth Exchange program is just that - an exchange. In return, we need to host four (4) international students, and show them our southern hospitality - and why we are proud to call Kentucky home. **We are actively seeking host families for the 2018-2019 academic year. Please share this information with friends, family, place of worship, place of work.**
