## Message from our New President, Frank Schneider

**President Frank**

Thank you to all that made it possible to continue my Rotary service to our great club as your next president. The 2019/2020 presidential theme selected by Rotary International President Elect Mark Maloney for his term is "Rotary Connects the World". I really feel that this holds so much truth with our Rotary Club because we have made so many connections within our community and across the world over the years. With your help and support, I am looking to build upon the foundation of successes that have occurred for nearly 75 years within our club. I will start off my 2019/2020 presidency term outlining some priority areas of shared focus.

In outlining these priority areas, it does not mean that what is not mentioned is not important. There are so many things that we do that engage our members and support the mission of Rotary within our community. I want to focus in on the elements that I feel would allow me to acknowledge that my term as president was highly successful.

Priority Areas:

- 1) Grow dues paying engaged Rotarian membership in our Florence club by a Net 20 members from July 1<sup>st</sup> 2019-June 30<sup>th</sup> 2020.
- 2) Raise contributions to the Rotary Foundation to 20K from July 1<sup>st</sup> 2019-June 30<sup>th</sup> 2020.
- 3) Develop, Deploy, and Execute a Signature Event that will raise at least 20K for future charitable contributions.
- 4) Grow the diversity of leadership within our club to empower tomorrow's leaders today.

There are so many things that contribute to the potential to realize success in these priority areas. In PETS training, many of the top clubs outline big and bold goals to help chart the course of actions that they will put in place over each president's term. I plan to provide feedback on these priority areas, across my term as president. Again, I greatly appreciate and value the opportunity that you have provided me to serve our club in this capacity.

Thank you.

Frank (Cell: 513-781-8940 Email: [fschneider@vrhgateway.com](mailto:fschneider@vrhgateway.com))
