- * **FROM PRESIDENT FRANK TO FELLOW ROTARIANS WITH OUR ROTARY CLUB:**

The events of the past 6 months of 2020, have taken many of us by storm. We have continued public health concerns with the COVID19 Pandemic, continued economic impact of COVID19, and a undercurrent of social/racial injustice across our country. We are truly living through some very, very challenging times. As president

of our Rotary Club, along with our Rotary Board Members, we would like to say thank you to everyone that has helped in any way to deliver support to others during these troubled times.

We are Rotarians together and it does not matter if you are able to help in the projects that we are doing within in the club...all that matters is that we are looking to help those around us, in whatever manner that we can, to help create a moment of calm or support for any human being in need.

There are a fair number of folks across our country who have been deeply impacted by this economic downturn. The impact has also been felt within our community, as well. Rotary Dues for many is a line item in the household budget that just cannot be supported at this time. Our Board has discussed a way to help some of our own club members to maintain their membership in the Rotary, during this crisis. We have decided to set aside some dollars for those that are truly in need.

Many of us feel connected to this club and we know that all of us are feeling challenged in some manner during these times. For some, having a beacon of positivity

and fellowship from others that generally care about them maybe all that they need to pull through these uncertain times.

Our Rotary Board has suggested that we open up some ability as a club to help our membership base.

If you are an active Rotary Member of our Florence Club and you are not able to pay your dues for the next 6 months, we would like to come to your aid with support. We have set aside some funds. If you are in need of this support, we just need for you to ask. We will encourage it in writing, if that is possible, so that we can have a tracking of the support that we have the ability to provide.

Please reach out to Frank Schneider or Peter Weickgenannt, if you have this need.

We will get through this together and we hope that you will all help us continue to spread positivity and support across our community.

Thank you for your service. Frank
