Opening from Mike

BY MIKE NOFTSGER

July has been exciting with just about all of the clubs in our district meeting in person again! Let's pray that the recent increases in COVID cases will subside and we will not have to return to virtual meetings. That being said, I enjoyed visiting with the Maysville, Falmouth, Georgetown, Mt. Sterling and Corbin clubs during the month. We have such a fantastic group of dedicated members throughout the district. Your continued work in the area of Rotary Foundation support is astounding. With all of the giving tabulated, we raised just shy of \$50,000 for our Rotary Foundation event in June. These funds will underwrite some significant district-wide grant projects during DGN Jeanne Clark's year. Many of you have already sent in your grant applications for this Rotary year and the committee is looking forward to reviewing what your clubs have planned. Many folks throughout our communities will benefit from these local projects and I commend you for your efforts.

August has arrived, and with it a new school year is right around the corner. We were unable to get the Building Brighter Futures backpack program off the ground for this semester, but do anticipate being ready for January. If your club has not yet decided what to do in this regard, take some time to discuss with your other club members and determine if this project is something you all would like to support.

Lastly, our region experienced some significant rainfall last week. These rains caused some flooding in Carlisle, KY and we are assessing any potential needs that can be met by Rotarians in District 6740. Once we have an idea of ways our clubs can assist, we will let folks in the district know. In the meantime, keep the folks in the Carlisle community in your thoughts and prayers. Continue to enjoy your summer and stay safe! - Mike
