PolioPlus is engaging reluctant communities by addressing basic needs

While vaccines are among the strongest tools to fight disease, their efficacy is bolstered by a robust health system that provides better access to lifesaving interventions for the world’s most vulnerable children.

The “plus” in Rotary’s PolioPlus program represents initiatives that do just that, by integrating polio immunization work with efforts to address other community needs, such as clean water.

Learn how PolioPlus is supporting water filtration in Pakistan, one of two remaining polio endemic countries.

GO Pantry
December 8, 2021 at 4:31 PM

Thank you Florence [Rotary Club](#) for including GO Pantry in your Christmas concert again this year. We are so grateful for the faithful support of your generous group. Faithful supporters like you have allowed us to expand GO Pantry programs to feed more NKY kids. Thank you for helping us love of local kids in need by providing food when they might otherwise be without. Merry Christmas to all our Rotary friends!

Here’s the video that was supposed to show on Monday.

Best Way Disposal — collected over 300 toys for the Steinford Toy Foundation!

It was a privilege to have our very own Roger Babik speak and represent MP and our mighty God to-night! Christmas concert. \$8,338 was raised to be divided 3 ways: [GO Pantry](#), MP and Florence Rotary (in honor of John and Connie Salyers) for polio eradication.
