## The Four-Way Test by Jackson LaCroix

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

When looking at the Rotary Club of Florence's FOUR WAY TEST it's highly important to look at the high standards their members uphold. Creating positive service change in the City of Florence. While service does come naturally to a lot. Everyone is still entitled to their own views and personal beliefs which shape how people view service in the community. The four way test allows member of service to make change in a successful manner.

1. IS IT THE TRUTH? Truth is defined as, "(1): the body of real things, events, and facts : actuality. (2): the state of being the case : fact. (3): a transcendent fundamental or spiritual reality." With that being said the question of is it truthful means a lot. Not only does this question explore the importance of having REAL, FACTUAL information it looks into making overall reality more truthful.
2. IS IT FAIR TO ALL CONCERED? Issues in the society need to always be addressed; however, different parties in conflict do treat situations differently. Making sure the solution is FAIR to all is important to allowing communities to change for the better. Unfair resolutions don't lead to lasting change.
3. WILL IT BUILD GOODWILL AND BETTER FREINDSHIPS? Striving to create change can't be done alone. Goals with service must always include the drive and passion to get others involved. Grow your service through your group and community. Creating lasting more powerful leaders, projects, and organizations.
4. WILL IT BE BENEFICIAL TO ALL CONCERNED? How can service change this world? Change is made by the actions of an individual or organization to being the light to dark areas around us. Trying to expand the knowledge of those who may surround us. Making change beneficial will only create a stronger community. A stinger group of people who want to make a stronger world.
